

Additional Volunteer Needs

Did you know there are volunteer opportunities at PWH beyond sorting medical supplies? Check out some of our additional needs below!

In some instances we will ask that you spend some time sorting and packaging donated supplies to better understand how we operate before taking on a different volunteer task.

Aisle Leaders: Become knowledgeable in one of our medical categories! Lead sorting, packing, and maintaining a specific area each time you come in to volunteer.

Local pick-ups/ deliveries: Use your own vehicle to do smaller pick-ups and drop-offs locally, ranging from other community service organizations to individuals in the community.

Larger Pick-ups: Travel in either our box truck or van to do larger scale pick-ups. This is a physical job where you need to be able to lift 50lbs to load and unload the

Front Desk: Help answer phone calls and take in donations, along with other light clerical tasks for either the morning, afternoon, or all day. Current days needed: Tuesday and Thursday.

Sewing Projects: We have a variety of sewing projects that can be done- from hemming sheets to making reusable shopping bags out of blue wrap! We also have a sewing circle that meets almost monthly at PWH to work on new projects.

Have a new idea or way you'd like to help? Let us know! We'd love to hear from you!
